### ALL GOLD RACES POORLY

#### H. P. WHITNEY'S ENGLISH HORSE MAKES DIS-APPOINTING AMERICAN DEBUT.

Climbs, Sulks and Finishes Last in Handicap at Laurel for Which He Rules Overwhelming Favorite at Short Odds.

Baltimore, Md., October 9.—Harry Payne Whitney's widely heralded All Gold, an imported horse by Persimmon, one of the late King Edward's winners of the Epson Derby, made his American debut in the all aged handicap at Laurel this afternoon and ran so disappointingly that trainers agreed that he is a much overrated horse. At any rate, All Gold's showing today did not warrant the many good things that have been said about him. In a field of six All Gold was made a top-heavy choice, but when it came to racing, horses ordinarily tooked upon as mediocre ran away from him. True, All Gold did not appear to be up to a bruising race. He was high in flesh and in the race he climbed during the first part and after he had settled down he suked under urging. Ambrose went to the whip on the turn for home in an effort to rouse his mount, but All Gold pinned back his ears and, quitting utterly, finished last. H. C. Hallenbeck's Impression was the winner of the race. He took the lead at the start and remained in front all the way.

The steeplechase, which divided interest with the handicap, resulted in a mislap at the last fence which put L. Navarre out of the running when it looked as if he would be a winner. L. Navarre was in front when he bolted out of the wing and Chell's Sister, which was running second, came on to win comfortably. The favorite, Shannon River, ran disappointingly.

Salon, winner of the third race, was bid up after his victory from \$900 to \$1,205, at which figure he was bought in.

It was officially announced today that the ring at Charleston the coming winter will be open to all reputable layers and that Mortimer Mahoney will be in charge.

Republican, Monacacy and four other horses in the John O. Talbott stable that were turned out on a New Jersey farm carlier in the season, will be taken up next week and fitted for a campaign at Charleston,

New Jersey farm earlier in the season, will be taken up next week and fitted for a campaign at Charleston.

Four carloads of horses from the half-mile tracks in Canada reached the Benning track from Toronto Joday, J. Phillips brought ten and T. Cheek five, while others represented in the shipment were R. D. Carter, J. M. Kinney, R. T. McKeever and H. Neustadier, Jockey who came along were C. Jackson, Adams, Alex and Gould, In all there were sixty-two who have been patronizing the half-mile track sport that were in the party, among them being Wash Norvell and "Stony" Abrams, C. K. G. Billings, who but recently came into thoroughbred racing, has purchased a number of English yearlings which, with those of Frederick Johnson, will be shipped to Moncreif Park at Jacksonville, where they will be broken and fitted for the races. The older horses in both establishments will winter at Sheepshead Bay.

Martin Foley has sold Setback to J. B. Grav and le will be shipped to Oklahoma, where he will be put in the stud.

Nat Byers reports that Perthsbire, which went wrong early in the season, has rounded to again and is now going along soundly. He will probably be seen under colors before long.

Sheridan Clark says that the new Dorval course in Canada will be greatly improved for the racing of next season. Four inches of loam has already been spread on the track and the turns have been raised two feet. The foundation has also been laid for an elaborate ciubonose that will adorn the grounds.

#### RUNNING RECORDS OF THE CANADIAN TURF

Had not Buck Thomas run half a mile in 47 seconds in winning a race at Minoru Park, Vancouver, B. C., August 20, the Canadian racing season of 1913 would have passed into history without reducing in any respect the time records for the Dominion. For the first time in many years the racing on the tracks of eastern Canada failed to result in any new Canadian records. This circumstance should not lead to the conclusion that Canadian racing of 1913 fell below the high standard of the immediately preceding years, for most of the lest horses in training on the North American continent participated in the sport in the Dominion to the north of us. Rather may the failure to reduce existing records be attributed to the state of the tracks over which the racing took place. Several of the fastest of the courses making up the Canadian Racing Associations circuit were much slower than normally, owing to the spreading of new too dressing and other causes. It may reasonably be expected that another season will bring a renewal of the general lowering of Canadian time records.

Existing records were equaled in three instances during 1913. Custom House ran three and one-half furlongs in 42% at Minoru Park, Vancouver, August 1, 1913, which tied the Canadian mark for the distance, made by Platinum over the same course, July 15, 1912.

At Hamilton, June 25, M. B. Gruber's sensational two-year-old, Little Nephew, by running five-eighths in 59% equaled the Canadian record, standing to the credit of Ragman, Genesta and Florence Roberts. This record has stood since 1908.

At Windsor, August 19, Miss Gayle, also a two-year-old, equaled the record of 1:05% for five and one-half furlongs, held jointly by Sewell and Novelty.

The Fort Eric and Hamilton tracks hold most of the records for the distances at which races are frequently run, with the former decisively in the lead. It is notable that the record for all distances of less than five furlongs stand to the credit of Minoru Park. This is partially due to the infrequency with which races

### PREPARING FOR PIPING ROCK RACING.

New York, October 9.—That the racing to be held under the auspices of the Piping Rock Racing Association the next two Saturdays will prove highly interesting is assured by the manner in which owners of prominent stables are having their horses worked on the flat and over the jumps at Belmont Park each morning.

The big race course is the training ground for practically all of the horses that will carry colors at Piping Rock next Saturday and the Saturday following. The track proper, the schooling grounds and the Belmont Park Terminal course have been kept in splendid condition for horses in training for events to be decided on the Long Island amateur courses this autumn.

Among the Harbor Hill Steeplechase candidates getting final gallops are the following:

P. S. Randoolph's Repentant, Miss Chamblet's Handsallround, C. R. Fleischmann's Astute, Silas Veitch's Fashion Wing, Greentree Stable's Ballet, Joseph E. Davis' Aurific, Brother Folk and Humility, Jericho Stable's War Lord, T. J. Donohue's Sand Hog, Brownleigh Park Stable's Tom Horn, M. Legraw's Syosset and John Whalen's Orowoc.

James Johnston has arrived from Toronto with Syosset and Nancy Orme, a two-year-old eligible to the subscription races. Trainer Johnston was accompanied by Frank Adams, one of the best riders developed in recent years. Adams will have the mount on Nancy Orme, Syosset, a son of Migrane, ran several promising races in Canada, Charlie Grand, who rode through the steeplechase field and on the flat one day last summer, will ride Syosset.

Among the trainers now quartered at the Belmont Park course are:
Silas Veitch, handling horses for Charles R. Fleischmann, John Whalen and other owners; Charles T. Patterson, trainer for Alex Smith Cochran; Louis Feustel, training a big string for August Belmont; James Owens, preparing steeplechasers for the Greentree Stable (Mrs. Payne Whitney); J. E. Nash, in charge of the Brownleigh Park Stable; James Johnston, for Charles L. Appleton and M. Legraw; William H. Henry, trainer for Bayard Tuckerman, Henry W. Warner and others; John L. Coyle, handling Miss Chamblet's cross-country horses; Matt Brady, with the timber-toppers owned by Joseph E. Davis; W. Freeman, the Jericho Stable; Jacob Byer, P. S. P. Randelph; Tim Donohue and A. win. He makes a bet on that horse and the machine takes the bet. A ticket is given to the man showing the bet made, the horse and the number of the horse. If that horse wins, the man gets his mutual proportion of the bets made. If he happens to be the only bettor, he gets the whole pool, or pot."

John Scully, who initiated the action, explained to the jury that after the running of the race "it was a question of long division, but it never came out even, and the association kept the odd money."

Judge Morgan here interrupted to say that he did not care who got the odd money. Scully contended that the man betting with the "machine" never knew exactly what he was to get if his horse won, and therefore there was some "chance."

if his horse won, and therefore there was some "chance."

A. E. Dyment, director of the club, said that if a man was alert, he knew what he would get from the machines. He contended that the machines had uplifted the standard of the attendance at race tracks.

### NO INTERRUPTION AT VICTORIA.

Victoria, B. C., October 9.—That the city's efforts to prosecute the Victoria Country Club for the alleged illegal operation of gambling devices in connection with the race meeting at The Willows will not materialize in an indictment being presented to the Grand Jury at the present assize is evident from the announcement of Doputy Attorney-General McLeod that he is unable to get in touch with the Hon. W. J. Bowser, who is the only person with the authority to direct such proceedings. Mr. Bowser has gone shooting and has left no means of communicating with him, and has failled to appoint an acting attorney-general in his absence.

Consequently nothing can be done until his re-turn, when the city's request will immediately be brought to his attention. By this time, however, the chief aim of the city council will have been de-feated, namely, to limit the racing to seven days. The meeting will have run through its nineteen days before Mr. Bowser's vacation is at an end.

### NOTES OF THE TURE.

"I want plenty of good horse racing, chicken fighting and honest poker playing in my state," said Gov, Cole L. Blease of South Carolina while at Washington a day or two ago on his way back home after a business trip to New York.

after a business trip to New York.

P. J. Miles has arrived at Churchill Downs from Laurel with his string of eight horses, namely, Falcada, Be, King Box, Woof, Caro Nome, Bounder, Mud Sill and Cordie F. All shipped well. Miles will go to Latonia this fall and from there will ship his stable to Juarez for winter racing.

Matt Feakes reports that Mrs, L. A. Livingston plans to mate Sotemia, 1912 winner of the Kentucky Endurance Stakes, with her good horse Lovetie next season. Lovetie was raced only once this year because he turned roarer. Feakes thinks Lovetie will make a great sire and Sotemia a wonderful broodmare. Mrs. Livingston would not part with either of them.

### M. J. DALY IS REINSTATED.

Judge Morgan decided at Toronto, Ont., a day or two ago that there is nothing unlawful in the use of the pari-mutuel betting machines on Canadian race tracks. In the course of his remarks he said:

"There is nothing to be disposed of here by lottery. There is nothing to be disposed of by chance, nor by any process by which the winners of the fund created is determined by chance. The person using these machines sees the horse on which he desires to register a bet. He has to form his own conclusion from his own concess of information, as to whether or not in his own judgment that horse is going to

### FIELD DAY FOR W. G. YANKE

CALIFORNIA OWNER WINS HALF OF THE CHURCHILL DOWNS CARD.

Scores a Triple with Swish, Wilhite and First Cherry -Favorites Divide Card with Other Well-Backed Horses.

Louisville, Ky., October 9.—W. G. Yanke's racers were decidedly in the limelight this afternoon at Churchill Downs by accounting for half of the card of six races. His success began when Swish won the second race. Then Wilhite beat a good band of sprinters in the Guerth race and First statute horsemen when she romped home an easy winner in the fifth. Owner Yanke is said to have wagered extensively on all three.

Another big crowd was on hand to witness the sport today. Speculation was brisk and of good volume, the total exceeding that of the second day last fall.

Favorites won three races and the other winners also had stoat support. Hugh McCarren's recent purchase, Brig's Brother made good status and others in the opener, with Barbara Lane third, Swish suffered from interference in the second, but came way in the streetch to win handily over Effendi and Sir Catesby. Prince Hermis had to be much the best to win the third, for he was caught in a bad Jam in going to the first turn and nearly thrown. Grosvenor gave him a stout argument for the purse.

After Presumption and The Widow Moon had exhausted themselves in pacemaking for the first lar of the fourth. Wilhite Pecket the favorite of the fifth, seemed the likely winner just before rounding into the stretch, but weakened badly when challenged by First Cherry and later was beaten by Trans Miller for second place. Bonne Chance had to be ridden out in the closing dash to overhaul Coppertown. The latter might have won but for trying to run out on the first two turns.

The running of the Kentucky Enturnees Stakes and its attending results was a fort consensus was that it will not until trainers come to a realization that they must prepare their charges in more thorough fashion. Pandorina seemed to be the only one of the contestants thoroughly fitted to go four miles and her performance left nothing to enthuse over. Flora Fina, which called for the sympathy of the big crowd, first by her gameness in struggling on after seeming to be hopelessly beaten and later when

### ROBERT DAVIES SUDDENLY STRICKEN.

Toronto, Ont., October 9.—Serious alarm has been caused the family and friends of Robert Davies over a stroke of paralysis which selzed him yesterday morning. He is much improved today, but still in a precarious condition. Mr. Davies is one of Toronto's rich men and engaged in many extensive business enterprises, never had a partner and never formed any of his holdings into a company. Everything is simply Robert Davies, proprietor. He has been interested in and an owner of horses from the age when he was able to ride a pony and all his children have followed him.

Mr. Davies has enjoyed the distinction of possessing the leading Canadian stable for several years, having been a liberal buyer, as well as a breeder at Thorncliffe Farm. He is sixty-four years old and a man of rugged constitution. Until a year ago he did not know anything but the best of health. In 1865, when the Queen's Plate was run in heats at London, and won by Lady Norfolk, little "Bobby" Davies rode Nora Creina, owned by a neighbor of his father. Six years later, when he was 22 years old, he won the Plate at Kingston with a mare called Floss, but he has never been able to repeat that success in spite of many attempts in the interval.
